MEMORANDUM FOR: Director of Security

SUBJECT : *

REFERENCE : Draft Memorandum to * Representatives from
Director of Security, subject: * ; Restatement
of Program.

1. Reference is made in subject memorandum to the statement of functions, "The Chief, Medical Staff, will provide medical support for the * field teams".

2. The Medical Office continues to agree in principle to the providing of such support. It is the intent of the Medical Office to use the medium of overseas psychiatric teams to satisfy this requirement. The * Committee should be aware, however, that the establishment of the psychiatric teams is not an accomplished fact due to Table of Organization difficulties.

3. Until the establishment of psychiatric teams is an accomplished fact, the Medical Office, while agreeing to support the responsibility and principle, indicates reservations in regard its ability of accomplishment.

JOHN R. TIETJEN, M.D.

<p>John:</p> <p>The attached two memos present no classification problem to us other than to delete Dr. Tietjen's name. Unless you have concern, [] will declassify them for the Kennedy Sub-Committee. Our feeling is that it is rather good press.</p> <p style="text-align: center;">Steve</p>
